

MOR BRITAS

Citat från Mor Brita eller?

"Jag dricker champagne när jag är lycklig, och när jag är ledsen. Ibland dricker jag när jag är ensam. Har jag sällskap anser jag att champagne är självklart. Jag smuttar gärna på ett glas när jag inte är särskilt hungrig, och jag dricker alltid champagne när jag vill ha något att äta. Annars dricker jag aldrig champagne - utom när jag är törstig..."
