

Short Ljusnan Trip

The short Ljusnan Trip starts at Flon and ends at the wind shelter after around 45 min of paddling. The endpoint is marked with a Topsport flag. After the second turn up to the bridge.

Canoes, paddles and life jackets are left by the Topsport flag (please pull them up a bit from the water). To return to the parking lot, follow the walking path to the road, and then follow the road to the parking lot. Distance from the wind shelter to the parking is around 700 m.

-- Means walking path. Please remember to close the gates in the electric fence behind you 😊

Have a nice trip!
